GREAT LENGTHS...

In Saint Luke's gospel for the Third Sunday of Easter, did you notice the great lengths that our Lord was willing to go to in order to show His disciples that He had risen from the dead? Jesus showed the disciples His five wounds. Jesus ate a piece of baked fish in front of them. A ghost would not be able to consume a piece of baked fish! Our Risen Lord is willing to go to great lengths for us too. We simply need to trust in Him and His providence over us. Pray this week for an increase in that kind of trust!

ATTENTION ST. GABRIEL PARISHIONERS – NOTICE #1...

Through the generosity of Saint Gabriel parishioners, after our theft recovery expenses were covered by insurance and by individual donations from parishioners, we had \$1,700.00 left over that was donated by parishioners in our Theft Recovery Fund. All items from last summer's break-in/vandalism have been replaced. At the January 19, 2021 Finance Council meeting, council members voted to use the \$1700.00 for some worthwhile and worthy purpose within the parish. With the permission of Theft Recovery Fund donors, I proposed that \$1000.00 be used to fund Religious Education scholarships and that \$700.00 be contributed to the Building and Maintenance Fund of our parish. My proposal met with the agreement of the Finance Council. If any Theft Recovery Fund donors object to the money being used in this way, please let me know as soon as possible. In an effort to reach all parishioners who donated to this fund, this notice will be printed two more times in the Sunday bulletin.

IS THIS YOUR "CALLING" TO HELP WITH THIS?

The two phones in the St. Gabriel Parish office and the one phone in our Religious Education office were used phones secured by Father Vogel more than nine years ago. They are unreliable and have outlived their usefulness. The parish would like to buy three new phones of the same make and model to replace these old phones. The phones can come from Walmart, Sam's Club, Costco, etc. They do not need to be expensive phones, just phones that are compatible with one another. What we are looking for is someone to get the phones for us and install them. The parish will pay for the phones once we have a definite price for all three. One thing we do know is that you don't want the pastor attempting to do this. My technological expertise only covers things made by Playskool or Fischer-Price! If you are willing to help with this small project, please let me know.
